Sign Up

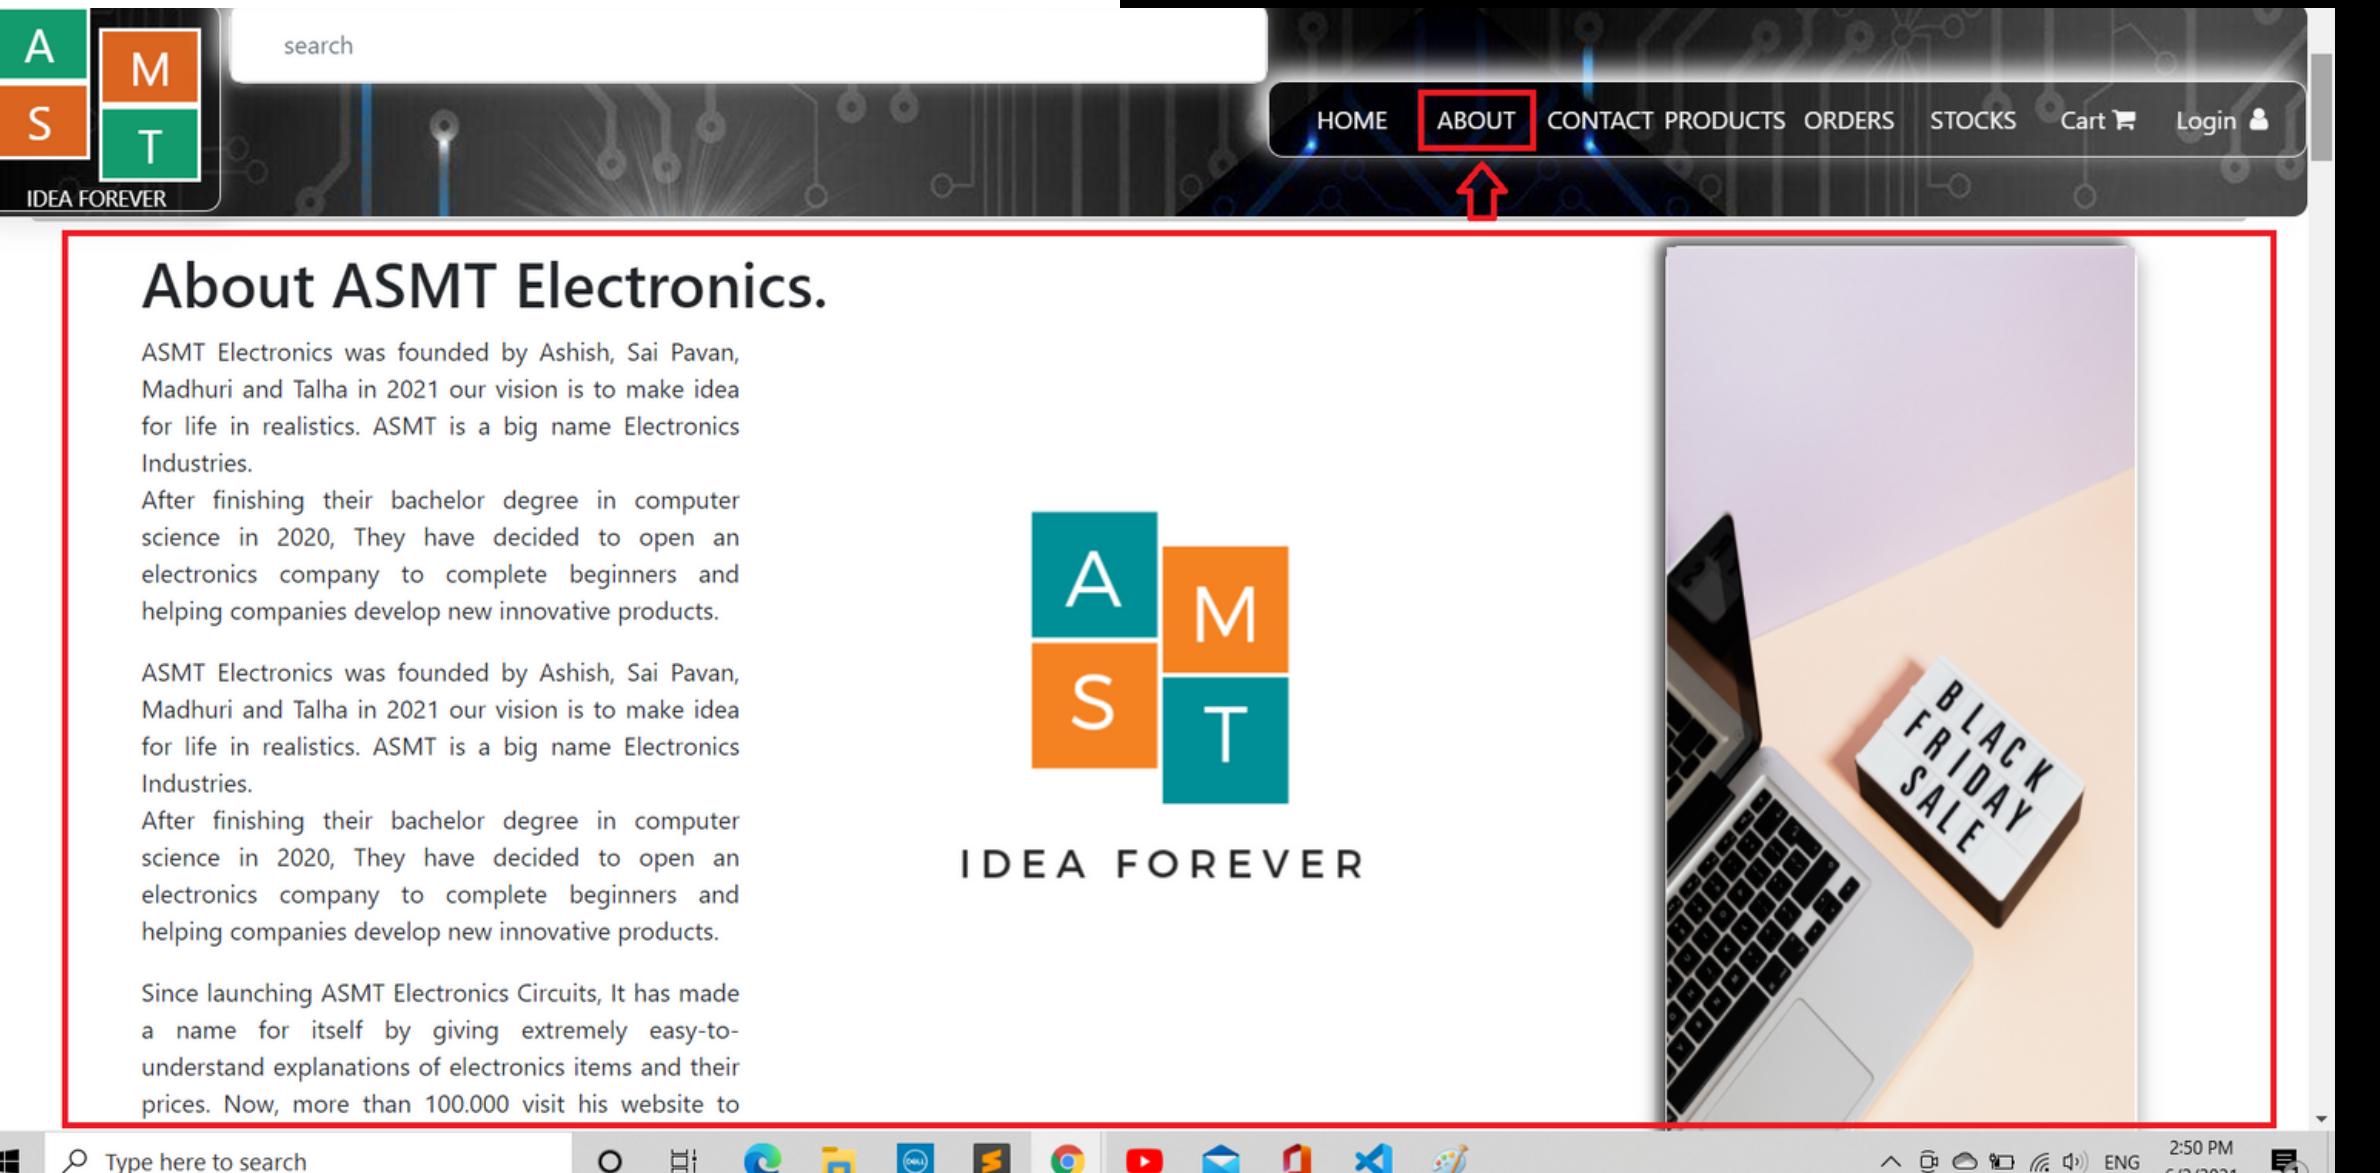

If user is new then he/she have to provide his/her basic details to the server. after filling all the details he/she have to sign up .

then after that account will be created . then he/she can be access the website .

THIS IS OUR HOME PAGE

HOW IT WORKS

This is our **ABOUT** part of our website. we did it through basic tags html , css & bootstrap.

in Here we divided into 3 sections .so first section is about of our website , second section is our website logo , & last section is one product image

CONTACT US

The screenshot shows the contact page of the ASMT Electronics website. At the top, there's a navigation bar with links for HOME, ABOUT, CONTACT (which is highlighted with a red box and a red arrow pointing to it), PRODUCTS, ORDERS, STOCKS, and a Cart icon. To the left, there's a logo with the letters A, S, M, T in a grid, with 'IDEA FOREVER' written below it. A search bar is also present. The main content area has a heading 'Contact us' and a message: 'Do you have any questions? Please do not hesitate to contact us directly. Our team will come back to you within a matter of hours to help you.' Below this are input fields for 'Your name', 'Your email', 'Subject', and 'your message', followed by a 'Send' button. To the right, there's contact information: a location pin for 'Banglore, KA 560068, INDIA', a phone icon with the number '+ 91 234 567 89', an envelope icon with the email 'contact@amstelectronics.com', and a map showing the company's head office at Marathali and a branch at Hoskote. At the bottom, there are links for 'Links' (with a 'Privacy Policy' option) and social media icons for 'Follow us on'.

This is contact us page of our website. through this if user needs any help or any feedback or any problems will happen regarding products then he/she can directly contact us with our team without any hestitation.

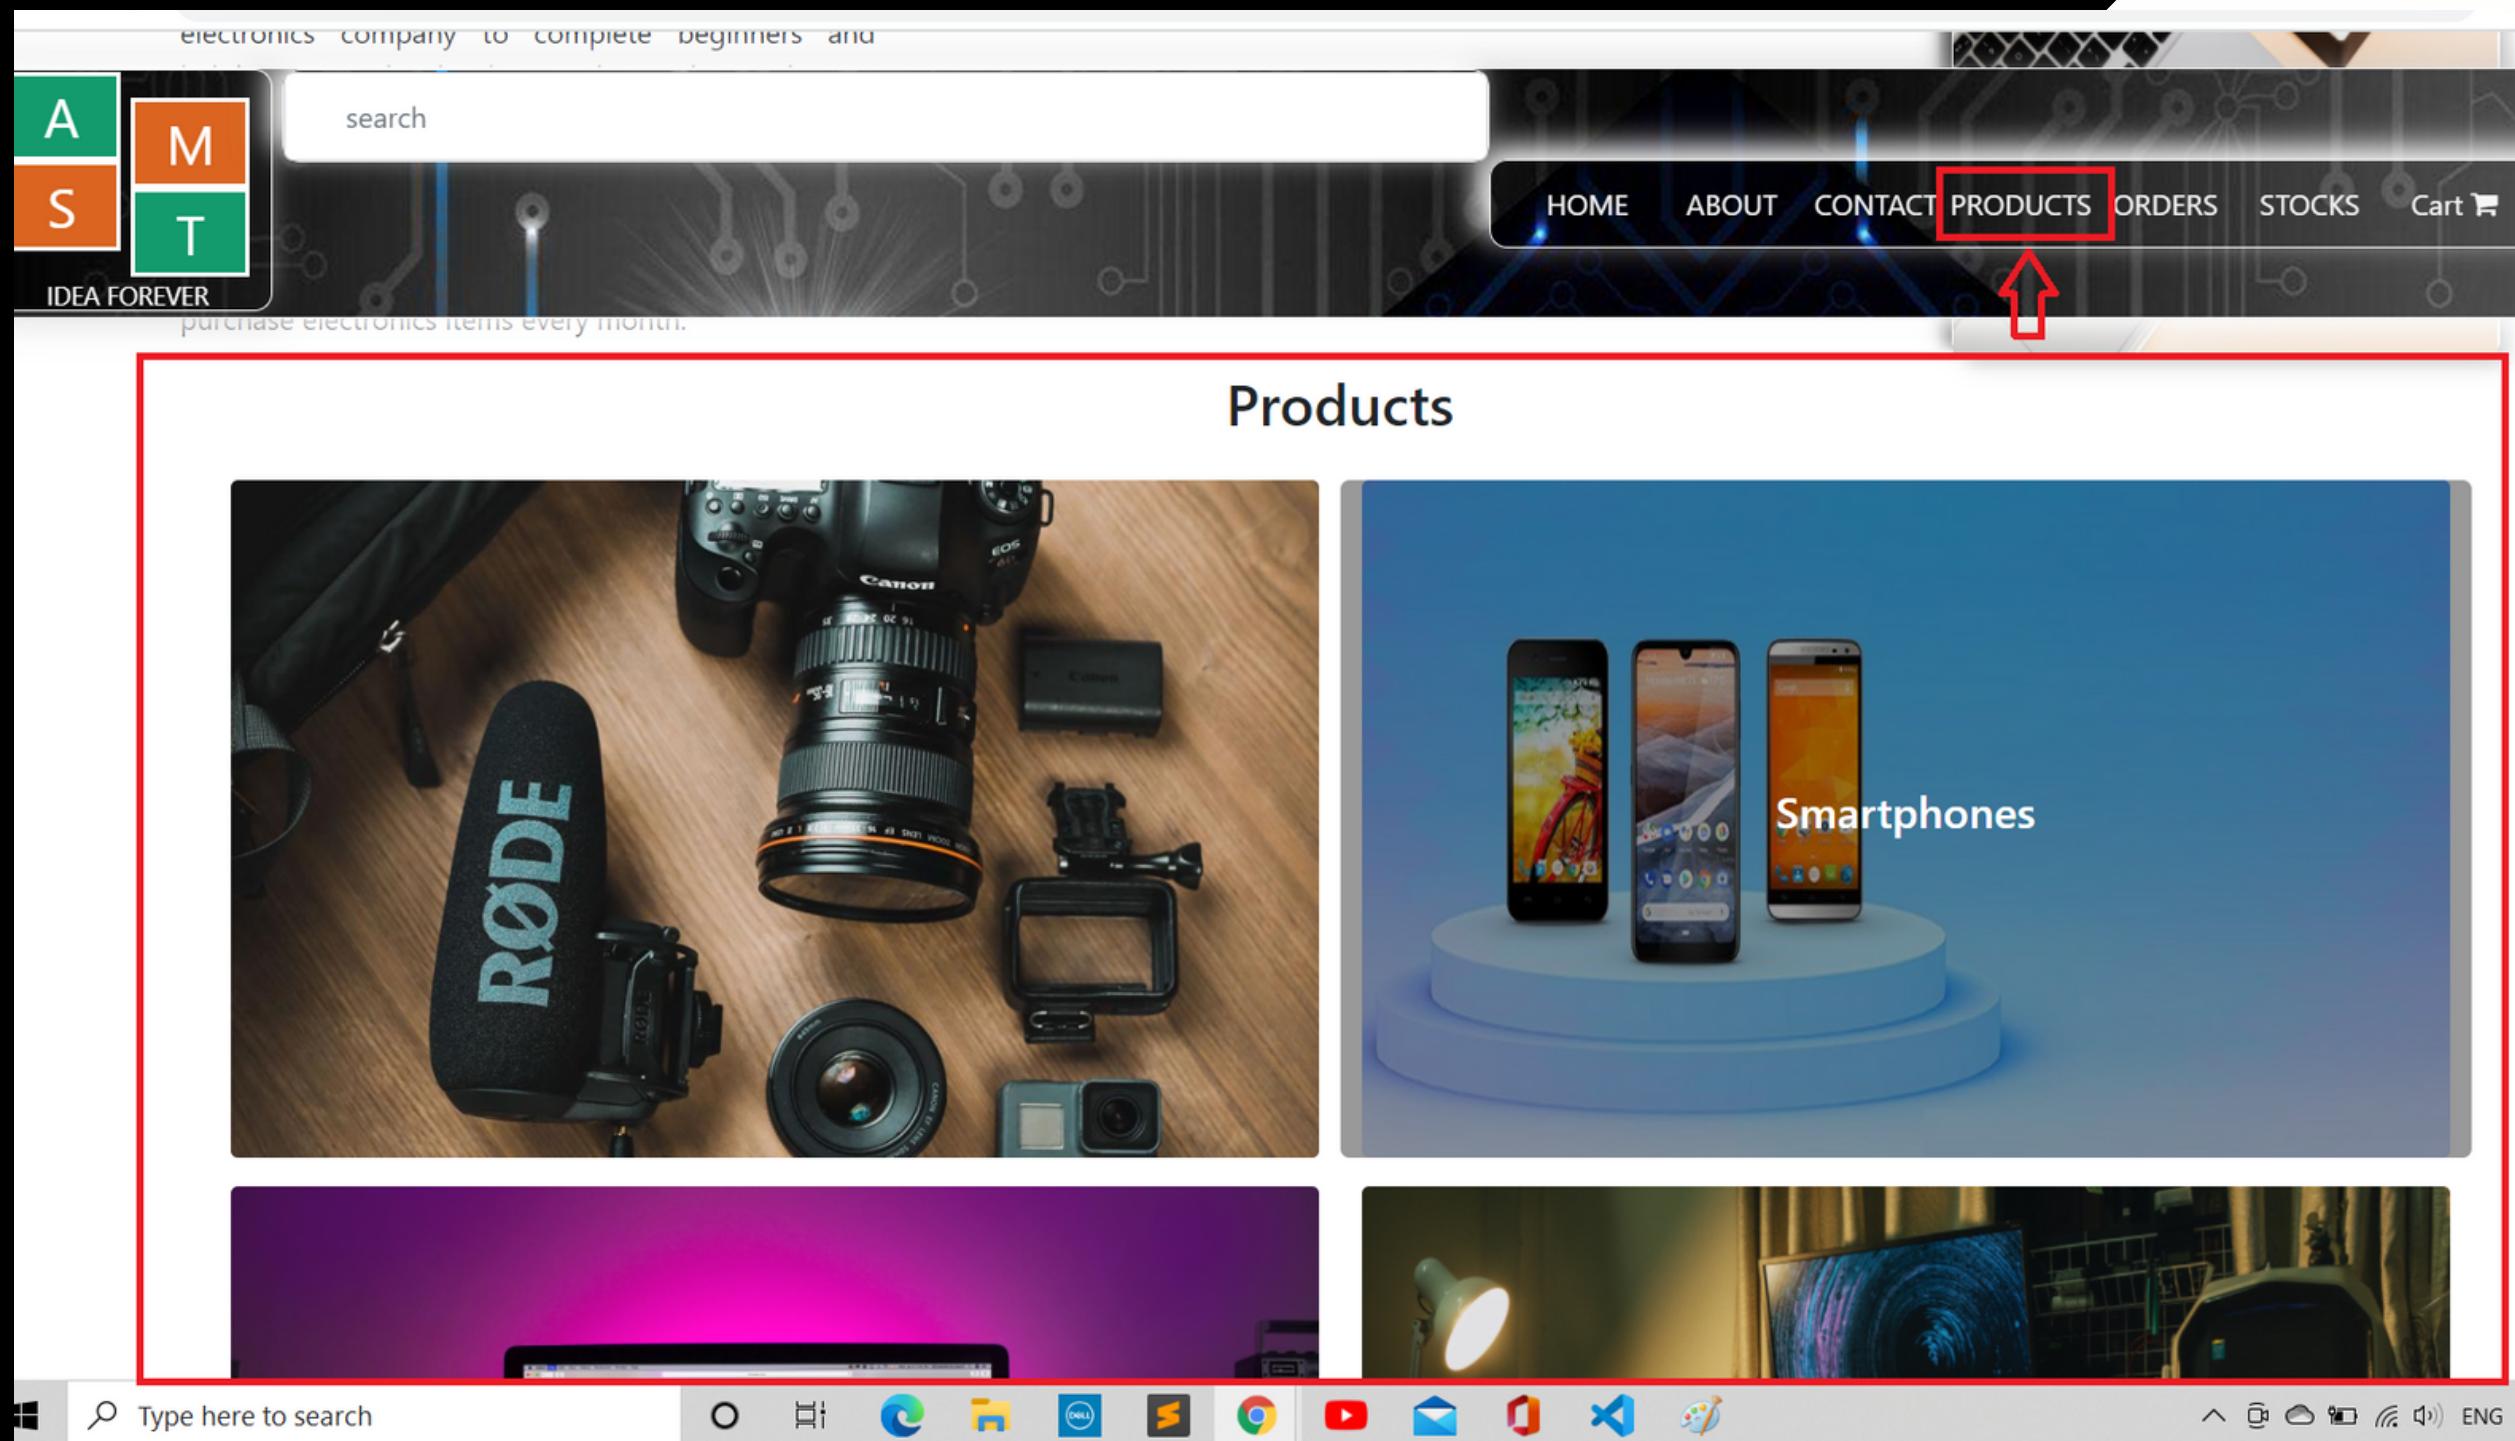

we will always here for users satisfaction
